**The Tower of the Americas**  
739 E César E. Chávez Blvd  
San Antonio, TX 78205

Enjoy a captivating scenery while savoring delicious food up in the sky.

The Tower of the Americas is an iconic landmark in San Antonio, Texas, soaring 750 feet above the city's skyline. Join us for panoramic views of the picturesque surroundings and architectural marvels that provide an unparalleled vantage point to take in the beauty of San Antonio and its historic landmarks. The tower's observation deck and revolving restaurant offer a unique and unforgettable experience for locals and tourists, making it a must-visit destination in the heart of Texas.

Immerse yourself in this historical setting as we delight in a delectable catered dinner accompanied by mouthwatering desserts and refreshing beverages. Cornell's dinner is the perfect opportunity to connect with regional and market managers, as well as reconnect with fellow distributors. We welcome you to bring your spouse and invite potential customers to the celebration.
